Hello

Your printer got hacked by Kod3bre4ker and NeTRoX!

Please, protect your printers! Close the open ports, because everyone can access and even damage your printers from everywhere!

Please take a photo of this paper and post it on twitter using #printersgothacked #kod3bre4ker or #netrox tags, and we can help you to solve these problems!

And also please subscribe to PewDiePie to defeat

T Series on YouTube!
